SCUBA DIVE PADI COURSE

This course is ideal for persons who want to be certified divers but they don't have so much time to do it.

The Scuba Diver is the option to get the certificate in just 2 days, making 3 immersions in swimming pools and 2 immersions in the sea. Unlike Open Water certification, persons certified as Scuba Divers only can dive under the supervision of an instructor in a maximum depth of 40 feet.

They can also get air fills or rent and purchase scuba equipment, but always under instructors' supervision. Although this is a limited certification, it allows a wide experience in diving and it is a good start to continue with the Open Water course that certifies people to dive independently.

INCLUDES

Transportation, PADI Instructor to accompany student throughout the process, complete Scuba equipment, fins, mask, costume, 2 tanks, weights, vest. 3 chapters of theory, 3 chapters of video, 3 lessons in the swimming pool with the equipment and the instructor, 2 open water dives, snacks on the boat, liability insurance and International policy DAN.

WHAT TO BRING

Swimsuit, sunscreen lotion, towel, sandals and cap.
